REQUEST FOR CERTIFICATE OF CORRECTION – APPLICANT MISTAKE

Dear Sir:

Upon proofreading the sealed patent, the patentee noticed an error in the printed patent due to a mistake by the patentee. In accordance with 35 U.S.C. § 255, patentee requests a Certificate of Correction.

This error occurred in good faith and correction of the same would not involve changes in the patent that would constitute new matter or would require reexamination. Specifically, the assignee's name is correct in the Notice of Recordation of Assignment document, which is attached. The error occurred on the Issue Fee Transmittal form.

Enclosed herewith is a proposed Certificate of Correction incorporating an amendment to correct the error. The Commissioner is hereby authorized to charge the fee under 37 CFR 1.20(a), which is \$100 to Deposit Account No. 08-1935 and any other fees that may have been overlooked to cover the cost of the Certificate.

A Petition under 37 CFR 3.81(b) requesting this correction is also being filed along with payment of the required fee of \$130, a copy of the Petition is also attached.

The patentee respectfully requests the granting of a Certificate of Correction.

Respectfully submitted,

Kathy Smith Dias
Attorney for Patentee
Registration No.: 41,707
